Casco CAMI

BY KIMBERLY PAYNE
OF STRAIGHT STITCH DESIGNS

For workout or play, on its own or for layering, the Casco Cami is a summer wardrobe staple. This classic knit camisole features a simple silhouette, with bound edges and straps. Batch sew a few for outdoor adventuring or as a comfy, light pajama top. Plus the hacking options! This pattern is available in sizes 0–34 and with front options for a B cup and D cup.

FABRIC REQUIREMENTS		
Size	**0–16**	**18–34**
60"-wide fabric	¾ yd	1¼ yds
54"-wide fabric	¾ yd	1¼ yds
45"-wide fabric	1⅛ yds	1¼ yds

SUPPLIES

- Knit fabric (amount according to chart)
- Coordinating knit fabric for binding and straps (approx. ¼ yard; optional)
- Fold-over elastic (2 yards; optional)

PREPARE

Print and assemble the full-size PDF pattern.

From the knit fabric, cut one front on the fold, one back on the fold, one strap binding on the fold, and one front binding.

CONSTRUCT

Use ⅜" seam allowances unless otherwise noted. All seams are finished with a zigzag stitch or serger.

With right sides together sew the front and back pieces together along the side seams **(1)**.

With right sides together, align one long edge of the front binding with the raw edge of the neckline. Stretch slightly to fit, pin in place, and stitch to the camisole ⅜" from the raw edge **(2)**.

Working from the wrong side, press the seam allowance and binding away from the neckline **(3)**.

With wrong sides together fold the raw edge of the binding towards the neckline and line up with the raw edges and press well **(4)**.

Fold the binding in half, enclosing the raw edges and covering the stitch line. Sew the binding to the camisole ⅛" from the inner folded edge **(5)**. If the binding extends past the neckline, trim the binding to the correct size.

To sew the rest of the binding, match the center point of the long binding with the camisole center back. Next match the front binding raw ends with the pattern marking on the long binding. Pin, stretch slightly to fit, and follow the steps above to attach the long binding **(6)**.

When sewing the straps, make sure to fully cover the raw end of the front binding **(7)**.

Try on the camisole to determine the proper strap length for your body. Pin the straps to the back of the tank at the notches. Stitch the straps to the camisole along the binding stitch line **(8)**.

Fold the bottom raw edge of the camisole 1" toward the wrong side and press well. Stitch the hem with a double needle, zigzag stitch, or other stretch stitch **(9)**. Ⓢ
